

31 Days of Powerful Prayer

Companion Guide

A Little Note

This is a companion guide to "31 Days of Powerful Prayer". I encourage you to print this and use it to write down your thoughts as you pray throughout this month. I have also added some blank pages (dated and undated), so you can continue to pray over whatever needs you have next month and into the future. I hope you are as blessed using this guide, as I was creating it. Thanks for praying with me! For more inspiration, visit sierrassimplehome.com.
